Join us for the **5th Annual RC SELPA Mental Health Symposium: Mental Health Matters**. This two-day event will bring together educators who support student mental health throughout Riverside County. The symposium will feature a keynote by Coach BE and breakout sessions presented by experts in the field. The symposium breakout sessions will discuss: best practices to support students' mental health, a legal perspective of ERMHS, resources to build mental health services in a multi-tiered system of support, as well as strategies to support students impacted by trauma. Register at the link above or at: <https://rcselpa.k12oms.org/1386-259547>.
