

Region 10 Coordinating Council Presents:

BACK TO SCHOOL-BASED OT AND PT BASICS – PART I

Presented by Region 10 OT/PT Committee:

Belinda Block, RPT Jek Barrozo, MOT Jessica Nunes, MOT Lisa Sutton, OTD Jo-Ann Vargas, OTD
and Rick Homutoff, Ed.D., EV SELPA Program Manager

Offered annually, this workshop covers the foundational knowledge for new and seasoned school-based occupational and physical therapy practitioners. From legally compliant assessments, IEPs, and treatment interventions this training offers the opportunity for collaboration on evidence-based practices, workloads, defensible documentation, and common trouble-shooting tips. The focus of Part 1 will be on an overall review of and updates on educational law, IEP components, and legally compliant school-based practices. Part II will delve into more specific components of assessments, review of common OT/PT interventions, case studies, and sharing of documentation templates and treatment ideas. Both trainings offer a platform for networking and collaboration. *(Part II is August 22, 2026)*
