

# 3RD ANNUAL RC SELPA MENTAL HEALTH SYMPOSIUM

Join us for this two-day symposium at the Riverside Convention Center, where we will bring together educators throughout Riverside County to engage in professional learning around best practices for ERMHS. The symposium will include a keynote by Dr. Clay Cook, as well as daily breakout sessions covering all aspects of ERMHS. Register today!

Clay Cook, PhD is an implementation scientist, psychologist, and former paraprofessional and middle school math teacher. He is the Chief Development Officer at CharacterStrong who has spent the past 15 years working in partnership with school systems across the country to support the implementation of effective practices that promote better and more equitable outcomes for students.
