Pathways to Partnership in coordination with Riverside County SELPA Present:

ADVANCED Facilitated IEP Meeting for EDUCATORS

This advanced, highly active workshop, designed for trained facilitators, explores additional skills necessary to navigate high-conflict Individualized Education Program (IEP) meetings. Moving beyond baseline meeting mechanics, this training engages participants in sophisticated communication strategies, proactive process management, and strategic conflict de-escalation.

KEY LEARNING OBJECTIVES:

- Establish and maintain the procedural structure of the meeting.
- Formulate and utilize intentional priming questions to set collaborative mindsets.
- Apply high-level active listening techniques to validate emotional states and stakeholder concerns.
- Transform rigid, demand-based statements into shared, interest-based opportunities that prioritize the student's unique needs.
- Break down multifaceted disputes into discrete components.
- Implement assertive, neutral facilitation interventions to maintain active participation.
- Establish firm boundaries and say "no" constructively while affirming shared values and maintaining relational trust.
