

# SEIS TRAINER OF TRAINERS

2025-26 SCHOOL YEAR

[CLICK TO REGISTER](#)

This three part series is designed to support those team members who are designated as Local Education Area Special Education Information System (SEIS) Trainer of Trainers. Participants will gain a higher knowledge of SEIS and acquire the skills necessary to support and train case managers within their own LEAs on data management, running SEIS reports, and using the SEIS system to effectively manage case loads.
