Special Education Local Plan Area—Local Plan Requirements

1. Describe the geographic service area covered by the local plan:

Disclaimer: The Individuals with Disabilities Education Improvement Act (IDEA) 20 United States Code (20 USC) §1400 et seq. and related federal regulations, requires each special education local plan area (SELPA) to ensure that a continuum of program options, inclusive of special education and related services, are available to meet the needs of students with disabilities.

The State Superintendent has established guidelines for the coordinated development and submission of local plan's components including Section A: Contacts and Certifications, Section B: Governance and Administration, Section D: Annual Budget Plan, and Section E: Annual Services Plan as well as required attachments I - VII. The Riverside County SELPA Local Plan ensures access to special education and related services for each student identified as having a disability and who is eligible per IDEA for special education and/or related services and who resides within the geographic boundaries of Riverside County, with the exception of students residing within non-member LEAs of Riverside County SELPA.

Effective July 1, 2021, all SELPAs in California are required to submit to the California Department of Education (CDE) the SELPA's Local Plan, utilizing CDE's adopted templates. The intent is to increase uniformity of SELPA local plans across the state and to promote greater transparency allowing members of the public to be informed about SELPA structures,

development and submission of local plan's components including Section A: Contacts and Certifications, Section B: Governance and Administration, Section D: Annual Budget Plan, and Section E: Annual Services Plan as well as required attachments I - VII. The Riverside County SELPA Local Plan ensures access to special education and related services for each student identified as having a disability and who is eligible per IDEA for special education and/or related services and who resides within the geographic boundaries of Riverside County, with the exception of students residing within non-member LEAs of Riverside County SELPA.

Effective July 1, 2021, all SELPAs in California are required to submit to the California Department of Education (CDE) the SELPA's Local Plan, utilizing CDE's adopted templates. The intent is to increase uniformity of SELPA local plans across the state and to promote greater transparency allowing members of the public to be informed about SELPA structures, governance, and processes. The CDE's adopted local plan template allows for general description of how Riverside County SELPA achieves compliance and adherence to its assurances. While the Local Plan provides for a general overview of Riverside County SELPA structures, additional information may be accessed via the policies and procedures, by-laws, and Joint Powers Agreement noted throughout.

The Riverside County SELPA is a large multi-district SELPA in Southern California and serves 26 member local educational agencies (LEAs). Riverside County SELPA provides guidance and support to its member LEAs as it relates to the implementation of the Individuals with Disabilities Education Act (IDEA), California Education Code, and supporting regulations for Special Education. Riverside County SELPA serves as the regionalized liaison between the California Department of Education (CDE) Special Education Division and member LEAs. Education Code §56200 to assure equal access to special education and related services for each eligible person with disabilities residing within the geographic area served by these LEAs and hereafter known as Riverside County Special Education Local Plan Area (RC SELPA). The adoption of the Local Plan by the RC SELPA Governance Council, ensures that each participating LEA agrees to carry out the duties and responsibilities assigned to it within the plan.

Each member LEA's Governing Board or Board of Trustees accepts responsibility in the policy-making process specific to meeting the needs of individuals with disabilities as demonstrated by being knowledgeable and informed of the Riverside County SELPA Local Plan and the adoption of Board Policy that states the LEA's commitment to participating as a member of the SELPA. The procedures for carrying out this responsibility are locally defined but typically fulfilled by regular communication with the respective superintendent and the administrator responsible for special education.

Additionally, the Governance Council will serve to mediate issues that may arise between member LEAs in reference to the operation of the SELPA and/or the administration of contracts. It is the intent of the Governance Council to allocate funds in a manner that mitigates for local contribution of the member LEAs' general fund. The Governance Council shall also serve as the Board for the Joint Powers Agreement (JPA). The term "Governance Council" within the Riverside County SELPA Local Plan shall include both the Governance Council and JPA Board.

The Governance Council shall review and adopt the Riverside County Local Plan, in accordance with California Education Code, and at minimum, every three years. Annual approval of components of the Riverside County Local Plan will include the Annual Service Plan and Annual Budget Plan.

The Committee develops the agenda for Governance Council meetings and performs other duties and responsibilities as needed. The Governance Council Steering Committee consists of a representative from each zone (selected by the zone members), the RCSS, the Coordinating Council Chair, and the Finance Committee Liaison. The Chair and Vice Chair may also serve as a Zone Representative.

The Governance Council Chair appoints a SELPA Personnel Committee with the function of evaluating the Riverside County SELPA Executive Director. The Personnel Committee is comprised of the Governance Council Chair representing his/her zone and a Superintendent from each of the other zones. The SELPA Executive Director is supervised by the Governance Council Chair. The SELPA Executive Director is selected and/or dismissed by the Governance Council based on recommendations of the Personnel Committee.

Coordinating Council - LEA Special Education Directors

The Riverside County SELPA Coordinating Council consists of the special education administrator, or designee, from each member LEA who has been empowered by the Superintendent to act on behalf of the LEA in fiscal and program matters related to special education.

The Coordinating Council collectively makes decisions specific to program implementation and structure to ensure that all students with disabilities receive appropriate special education and/or related services. Additionally, the Coordinating Council makes recommendations to the Riverside County SELPA Finance Committee and Governance Council as they relate to policy making and allocation of funds.

The officers of the Coordinating Council are the Past Chair, Chair and Vice Chair, with the Vice Chair succeeding the Chair the following year. The SELPA Executive Director serves as Secretary to the Coordinating Council. The Coordinating Council operates according to adopted bylaws which are developed, revised, and/or approved formally by the Coordinating Council.

The Coordinating Council Steering Committee is a subcommittee of the Coordinating Council. The Committee develops the agenda for Coordinating Council meetings and performs other duties and responsibilities as needed. The Coordinating Council Steering Committee consists of the Riverside County SELPA Executive Director, a representative from each zone (selected by the zone members), the Riverside County Office of Education Executive Director of Special Education, a Charter School Representative, the Coordinating Council Past Chair, Chair, and Vice Chair, and the Coordinating Council Program Liaison to Finance. SELPA Finance Committee - Chief Business Officials

The Riverside County SELPA Finance Committee consists of the chief business official (CBO), or designee, from each member LEA who has been empowered by the Superintendent to act on behalf of the LEA in fiscal matters related to special education.

The purpose of the SELPA Finance Committee is to analyze all fiscal and related issues and make recommendations to the Coordinating Council and Governance Council. The SELPA Finance Committee shall support the Governance Council to allocate funds in a manner that mitigates for local contribution of the member LEAs' general fund and supports each student identified as a student eligible for special education and related services and residing within the boundaries of or enrolled in member LEAs. The SELPA Finance Committee operates according to adopted bylaws which are developed, revised, and/or approved formally by the SELPA Finance Committee. The SELPA Finance Committee bylaws are available at the Riverside County SELPA Office.

The SELPA Finance Committee consists of the Chief Business Official (or designee) from each participating LEA, including the Riverside County Office of Education (RCOE), the Fiscal Liaison to the Governance Council, a Program Liaison from Coordinating Council, and the Riverside County SELPA Executive Director. The SELPA Executive Director

serves as Secretary to the SELPA Finance Committee.

Participating Agency Responsibilities

The procedures for determining the responsibility of each member LEA to provide special education and assure access to special education and related services for all students with disabilities residing in the geographic area served by the Local Plan are described herein.

Each LEA is responsible to oversee the operation of those special education programs offered by that LEA and assures access to special education and related services for all students with disabilities residing in the area.

Pursuant to California Education Code §56205(a) and 56195.1(b) as well as Government Code §6502, et. Seq., the Riverside County SELPA has operated as a JPA, since July 1, 2006. The purpose of the JPA is to formulate policy and develop regulations and guidelines for the operation of programs and services within the Riverside County SELPA, to allocate resources and develop an annual budget, and to mediate issues arise between member LEAs in reference to the operation of the SELPA and/or the administration of contracts.

Pursuant to California Education Code §56195.1(e), a SELPA-member LEA may contract with another SELPA-member LEA for special education programs and/or services. LEAs may contract with the Riverside County Office of Education to

operate programs for students with disabilities and/or to provide related services. LEAs shall initiate such contracts directly with Riverside County Office of Education or another SELPA-member LEA in accordance with current guidance and procedures.

The "Intra-SELPA/Inter-SELPA Transfer Agreement" form may be used to assist LEAs and/or SELPAs to document agreements between LEAs and/or SELPAs for the provision of special education services for a resident student in a setting outside of the student's LEA and/or SELPA of residence. The purpose of the "Intra-SELPA/Inter-SELPA Transfer Agreement" form is to (1) document agreement between LEAs, (2) obtain student count data for state reporting; and (3) provide a mechanism to transfer funds, if it is determined to be necessary.

An Intra-SELPA agreement is initiated by a Riverside County SELPA member district for the transfer of a student with an IEP to a program operated by another LEA that is also a member of the Riverside County SELPA when the student's District of Special Education Accountability does not operate the program necessary to meet the student's needs. An Inter-SELPA agreement is initiated for the transfer of a student with an IEP from an LEA that is not a member of the Riverside County SELPA to a program operated by an LEA that is a member of the Riverside County SELPA or vice versa.

Procedures for Changing the Governance Structure

Any changes in the governance structure of the Riverside County SELPA, including dividing the SELPA into more than one operating entity or changing the designation of and/or responsibilities of the Responsible Local Agency or Administrative Unit (RLA/AU), are subject to specific provisions of EC § 56140, 56195, et seq., 56195.7 et seq., and 56205 et seq.

1. Any LEA which is currently designated as a member LEA of the Riverside County SELPA may elect to pursue an alternative option from those specified in EC §56195.1 by notifying the RCSS and the Riverside County Governance Council at least one year prior to the date the alternative plan would become effective (EC § 56195.3(b)).
2. Any alternative plan of an LEA is subject to the approval by the Governance Council and the RCSS (EC § 56140).
3. Approval of a proposed alternative plan shall be based on the capacity of the LEA(s) to ensure that special education programs and services are provided to all students eligible for special education services and meet the standards for size and scope as presented in EC § 56195.1.
4. The proposed SELPA(s) shall cooperate with the RCSS and other LEAs in the geographic area in order to assure that the SELPA is compatible with the other SELPAs in the county, as required by EC § 56195.3, and shall consider the impact of the formation of the new SELPA on the county as a whole and upon the SELPA or SELPAs from which they

SELPA **Riverside County SELPA**

Fiscal Year **2021-22**

are seeking to separate. This includes the “new” SELPA’s ability to meet minimum size and scope requirements.

Potential adverse programmatic and/or fiscal impacts must be addressed and any potential concerns that the impacted LEAs may have with the criteria and standards for fiscal accountability must be mitigated.

5. If the RCSS and the Riverside County Governance Council do not approve an alternative plan, the RCSS shall return the plan with comments and recommendations to the LEA(s). The LEA(s) participating in the alternative plan may appeal the decision to the Superintendent of Public Instruction (EC § 56140(b) (2)).
6. Any changes in the designation of the RLA/AU for the Riverside County SELPA must conform to the above code provisions and the administrative provisions for approval as specified in the Local Plan.
7. Should any proposed new SELPA formation not occur within the established time-frame then those LEAs involved in the proposed new SELPA formation shall remain as active members of the Riverside County SELPA until such time the new SELPA is formed. However, this would require a renewal of the one-year notice referenced above in item number one.

A change in governance structure is not the same as program transfers. Any SELPA member LEA intending to withdraw a portion or all of its SH student programs from RCSS operations shall give a written preliminary notice to the

SELPA

Riverside County SELPA and to RCSS. The "Program Transfer Policy and Procedures" document is available through the RC SELPA website.

Responsible Local Agency/Administrative Unit (RLA/AU)

The Governance Council designated the Val Verde Unified School District (VVUSD), effective July 1, 2006, to serve as the RLA/AU as provided for in EC §56030. As such, the duties include, but are not limited to:

- Receive and distribute regionalized services funds in accordance with the approved budget;
- Provide administrative support and employ personnel to support SELPA functions;
- Coordinate the implementation of the Riverside County SELPA Local Plan.

The RLA/AU is entitled to the funds generated from the indirect cost rate applied to regional income and as outlined in the "Agreement for Service – Administrative Unit".

3. Describe the SELPA's regional policy making process. Clearly define the roles of a multi-LEA governing body, or single LEA administration as applicable related to the policy making process for coordinating and implementing the local plan:

The Riverside County SELPA's regional policy making process is conducted through the Coordinating Council, Finance Committee, and the Governance Council. Policies and procedures are presented to the Coordinating Council and Finance Committee for review. Coordinating Council and

Finance Committee make a recommendation for approval to the Governance Council. Upon approval by the Governance Council, each member LEA will present the policy to its respective Governing Board or Board of Trustees to be adopted.

Governance Council, Finance Committee, and Coordinating Council are defined above in Section 2 of this document that outlines the description of the SELPA regional governance and administrative structure of the local plan.

4. Clearly define the roles of the County Office of Education (COE) as applicable, and/or any other administrative supports necessary to coordinate and implement the local plan:

The Riverside County Office of Education (RCOE) is a member LEA of the Riverside County SELPA. Riverside COE is represented as a participating member in Governance Council, Finance Committee, and as a Standing Member of Coordinating Council.

Special Education and Related Services

RCOE operates special education programs and related services for students with disabilities as a regionalized service provider within Riverside County and adheres to the policies and procedures set forth in this local plan for implementation of special education supports and services.

Pursuant to California EC §56195.1(e), a SELPA-member LEA may contract with another SELPA-member LEA for special education programs and/or services. LEAs may

contract with the Riverside County Office of Education to operate programs for students with disabilities and/or to provide related services. LEAs shall initiate such contracts directly with Riverside County Office of Education or another SELPA-member LEA in accordance with current guidance and procedures.

Through the annual service plan, RCOE provides a description of services to be provided by the COE, including the nature of the services and the physical location at which the services will be provided, including alternative schools, charter schools, opportunity schools and classes, community day schools, and juvenile court schools. This description shall demonstrate that all students with disabilities shall have access to services and instruction appropriate to meet their needs as specified in their individualized education programs.

Infant Services

Special education provided through Part C infant services are available through RCOE and the Palo Verde Unified School District (PVUSD). Districts other than PVUSD begin serving identified students at age 2.6 – 2.9 for transition into an appropriate program at age 3.

The following special education services may be provided to an infant with a disability:

- Family Training, Counseling, and Home Visits
- Medical Services (For Evaluation Only)
- Nutrition Services
- Service Coordination

- **Special Instruction**
- **Special Education Aide In Regular Development Class, Child Care Center or Family Child Care Home**
- **Respite Care Services**

Infant services may be provided by the same providers, in similar settings/locations, and in similar frequency as listed above.

Program Description: Riverside COE operates the Early Start Infant CIRCLE (Concern for Infants in Riverside County Learning Enrichment) Program, the LEA component of Early Intervention Services. Infants residing in Riverside County SELPA (excluding Palo Verde USD) who have a solely low incidence disability are eligible. Infants with medical or developmental problems who are under three years of age may be eligible for services. The Infant CIRCLE Program has two primary focuses:

- **Training to and empowerment of parents to support the child's growth and development within the natural environment and**
- **Prevention of secondary disabilities.**

Anyone who has a concern about an infant's growth or development may make a referral to an Early Start Program. Children with a solely low incidence disability should be referred to the RCOE Infant CIRCLE Program. All other referrals should be sent to the Inland Regional Center Part C

Coordinator. If a referral is received less than 45 days before the child turns 3.0 years old, the referral should be sent to the child's district of residence. For more specific information, see the *Riverside County SELPA Policies and Procedures for Students with Disabilities Birth to Three*.

5. Describe the policies and procedures of the SELPA that allow for the participation of charter schools in the local plan:

The Riverside County SELPA policy and procedures for *Provision of Special Education Services and Related Services to Students Voluntarily Enrolled in Charter Schools* applies to all charter schools that are chartered by a member LEA of the Riverside County SELPA or granted a charter on appeal by the Riverside County Board of Education or the State Board of Education in which oversight responsibilities have been assigned to a SELPA-member LEA. This policy only extends to a charter school that was chartered by, or assigned to, an entity that is a member of the Riverside County SELPA. If the charter school is operating as an LEA member of the SELPA, the Charter School shall be treated as all other SELPA-member LEAs.

As students enrolled in charter schools are entitled to special education services provided in a similar manner to students enrolled in other public schools, charter schools within the SELPA shall comply with all requirements of all applicable state and federal law regarding provision of special education

services (Education Code §56000 et seq., Individuals with Disabilities Education Act 20 U.S.C. Chapter 33). A charter school shall not discriminate against any pupil in its admission criteria, including on the basis of disability. Students enrolled in charter schools shall be identified for and receive special education and related services in a manner similar to students enrolled in other public schools within the SELPA.

Charter schools must delineate in their memorandum of understanding (MOU) the entity responsible for providing special education instruction and related services, regardless of whether they operate as a school of the district or an LEA member of a SELPA. This document must reference any anticipated transfer of special education funds between the granting LEA and the charter school and any provisions for sharing deficits and/or proration factors in funding. For charter schools operating as a school of their chartering LEA, this document must expressly affirm that the district where the student resides, if different than the chartering LEA, is not responsible for providing special education services to students that are enrolled in the charter school. The MOU must also state that prior to final approval of a request to be deemed a LEA, the charter school will be deemed a public school within the chartering entity. Any LEA Charter School shall be treated as all other SELPA-member LEAs by the administrative unit and the SELPA Executive Director. The SELPA must receive a copy of each MOU in order to release funds to the chartering entity. The full Charter School

document is available on the RC SELPA website (www.rcselpa.org).

6. Identify and describe the representation and participation of the SELPA community advisory committee (CAC) pursuant to EC Section 56190 in the development of the local plan:

The Community Advisory Committee (CAC) serves the SELPA in an advisory capacity, in accordance with California Education Code §56190-56194 and legislation related thereto. The members of the CAC shall be appointed by, and responsible to, the governing board of each SELPA member local education agency (LEA). Appointment must be in accordance with the following selection procedure:

- LEA identifies a minimum of one person who is willing to serve as the LEA representative to the Riverside County SELPA CAC.
- The person's name and position is taken forward as an action item to the LEA Board of Education for official appointment to the CAC.
- A copy of the Board minutes and the person's contact information is provided to the SELPA.
- SELPA will update the CAC membership database and send the new person a SELPA CAC New Member Packet.

The majority of the membership of the CAC shall be composed of parents of pupils enrolled in LEAs within the Riverside County SELPA; and, of these members, the majority

will be parents of children with disabilities. Members of local PTAs, special education teachers, general education classroom teachers, other school personnel, students with disabilities, representatives of related public and private agencies, and other persons concerned with the needs of children with disabilities may also be appointed to serve as a CAC member.

The CAC has the authority to fulfill the responsibilities that are defined for it in the Local Plan. These responsibilities include, but need not be limited to, all of the following:

- Advising the policy and administrative entity of the SELPA regarding the development, amendment, and review of the Local Plan.
- Recommending annual priorities to be addressed.
- Assisting in parent education and in recruiting parents and other volunteers who may contribute to the implementation of the plan.
- Encouraging community involvement in the development and review of the local plan.
- Supporting activities on behalf of students with disabilities.
- Assisting in parent awareness of the importance of regular school attendance.

The CAC operates according to adopted bylaws which are developed and/or revised by the CAC through a committee process. The CAC bylaws are approved by both the CAC and the Governance Council. The CAC bylaws are available at

Section B: Governance and Administration

7. Describe the SELPA's process for regular consultations regarding the plan development with representative of special education and regular education teachers, and administrators selected by the groups they represent and parent members of the CAC:

Proposed amendments or changes to the permanent portion of the Local Plan will be developed cooperatively by a committee of representatives of special and regular teachers and administrators selected by the groups they represent and with participation by parent members of the community advisory committee, or parents selected by the community advisory committee, to ensure adequate and effective participation and communication (EC § 56195.9).

Revisions to Riverside County SELPA Local Plan are made through consultation with local stakeholders. Stakeholder meetings are structured to ensure representation of all applicable representatives, including but not limited to special education and regular education teachers, administrators, parent members of the community advisory committee and parents/community members.

Stakeholders are selected by each LEA to provide input to the amended Local Plan. Additionally, stakeholders are recruited through the Riverside County SELPA CAC. Revisions to the Riverside County SELPA Local Plan are shared with Governance Council, Finance Committee, Coordinating Council, and Community Advisory Committee to elicit additional input. An opportunity for review of the revised

SELPA

Riverside County SELPA Local Plan is provided to each of these respective committees.

8. Identify and describe the responsible local agency (RLA), Administrative Unit (AU), or other agency who is responsible for performing tasks such as the receipt and distribution of funds, provision of administrative support, and coordination and implementation of the plan:

Val Verde Unified School District (VVUSD) functions as the Administrative Unit (AU) for the RC SELPA. As noted previously the AU receives and distributes regionalized services funds, provides administrative support, and coordinates the implementation of the RC SELPA Local Plan. Specific details regarding the role of VVUSD as the AU may be found in the RC SELPA administrative policy titled "Agreement for Service – Administrative Unit" found on the RC SELPA website (www.rcselpa.org).

9. Describe the contractual agreements and the SELPA's system for determining the responsibility of participating agency for the education of each student with special needs residing within the geographical area served by the plan:

The Riverside County SELPA maintains several participation agreements and memoranda of understanding and participation with agencies within the region, which may include, but are not limited to, Riverside University Behavioral Health, California Children's Services, Inland Regional Center, and Riverside County Office of Education (RCOE). These agreements outline how the member LEAs may interact with each other and with said agencies in the identification and provision of special education and related services to students

within Riverside County. Copies of agreements may be found in Appendix C of the Local Plan.

The procedures for determining the responsibility of each participating LEA to provide special education and assure access to special education and related services for all students with disabilities residing in the geographic area served by the Local Plan are described herein.

Each LEA is responsible to oversee the operation of those special education programs offered by that LEA and assures access to special education and related services for all students with disabilities residing in the area.

Pursuant to California EC §56195.1(e), a SELPA-member LEA may contract with another Riverside County SELPA member LEA for special education programs/services. The districts may contract with the RCOE to operate programs for students with severe disabilities and/or to provide related services (e.g., Special Day Class, Deaf/Hard of Hearing Itinerant, and/or Visually Impaired Itinerant Programs). The mechanism to initiate such contracts includes the approval of the "Referral/Interim Placement" form and completion of the Local Contract, "Riverside County Superintendent of Schools Agreement for Intra-SELPA Educational Services." Home/hospital instruction and/or Special Circumstance Instructional Aide support is available via a Memorandum of Understanding.

SELPA **Riverside County SELPA**

The “Intra-SELPA/Inter-SELPA Transfer Agreement” form was developed to assist LEAs and/or SELPAs to document agreements between LEAs and/or SELPAs for the provision of special education services for a resident student in a setting outside of the student’s LEA and/or SELPA of residence. The purpose of the Agreement form is to (1) document agreement between LEAs, (2) obtain student count data for state reporting; and (3) provide a mechanism to transfer funds, if it is determined to be necessary.

Both state and federal law provide that students with disabilities are entitled to a free, appropriate public education (FAPE) that includes special education and related services to meet their unique needs in the least restrictive environment (LRE). Each LEA must ensure that all children residing within their jurisdiction who have disabilities, regardless of the severity of their disability, and who are in need of special education and related services, are identified, located, and evaluated. The LEA must establish a goal of providing full educational opportunity to all students with disabilities, aged birth through 22.

10. For multi-LEA local plans, specify:

a. The responsibilities of each participating COE and LEA governing board in the policymaking process:

Each participating Local Education Agency (LEA), including Riverside County Office of Education, Governing Board accepts responsibility in the policy-making process as

SELPA **Riverside County SELPA**

Fiscal Year **2021-22**

demonstrated by approval of the Local Plan for the Riverside County SELPA. The procedures for carrying out that responsibility are locally defined but typically fulfilled by regular communication with the respective superintendent and the administrator responsible for special education. Board Policy shall be adopted by each LEA member to specify that in order to meet the needs of individuals with disabilities and employ staff with adequate expertise for this purpose, the district participates as a member of the Special Education Local Plan Area (SELPA).

The Superintendent or designee shall extend the district's full cooperation to the SELPA. The policies and procedures of the SELPA shall be applied as policies and regulations of this district, with the exception of those that apply to complaints, unless the SELPA local plan specifically authorizes the district to operate under its own policies and regulations.

- b. The responsibilities of the superintendents of each participating LEA and COE in the implementation of the local plan:

Each Superintendent (or designee appointed by the LEA's Governing Board or Board of Trustees) shall serve as a member of the RC SELPA Governance Council. In such, each LEA will maintain a single vote (with the exception of multi-charter systems which will hold a single vote for the charter system). This structure maintains the focus on shared risk and encourages transparency, effective communication,

and sustainability over time. The Governance Council interacts and acts collaboratively while maintaining a student-centered focus.

Members of the public, including parents or guardians of students with disabilities who are receiving services under the Local Plan, may address questions or concerns to the governing body at scheduled meetings of the SELPA Governance Council. The Governance Council agenda provides opportunities for the public to address the Council/JPA Board regarding agenda and non-agenda items at each meeting.

c. The responsibilities of each LEA and COE for coordinating the administration of the local plan:

The Riverside County Office of Education (RCOE) is a member LEA of the Riverside County SELPA. Riverside COE is represented as a participating member in Governance Council, Finance Committee, and as a Standing Member of Coordinating Council. Additional responsibilities of the COE, specific to provision of special education and related services, are outlined above.

11. Identify the respective roles of the RLA/AU, the SELPA administrator, and the individual LEAs associated with the SELPA related to:

- a. The hiring, supervision, evaluation, and discipline of the SELPA administrator and staff employed by the AU in support of the local plan:

The SELPA Executive Director is selected and/or dismissed by Governance Council but is an employee of the Val Verde Unified School District (VVUSD). The SELPA Executive Director is supervised and evaluated by the Personnel Committee who is appointed by the Governance Council Chair. The SELPA Executive Director is responsible for coordinating the selection of the SELPA personnel, who are also employees of the VVUSD. All RC SELPA personnel will be hired by Val Verde USD (the Administrative Unit) and will be supervised by the RC SELPA Executive Director in accordance with VVUSD evaluation and discipline procedures. The VVUSD is an equal opportunity employer. All standard county personnel requirements and procedures shall be employed.

- b. The local method used to distribute federal and state funds to the SELPA RLA/AU and to LEAs within the SELPA:

The governing board of each participating school district has elected to submit to the Superintendent this Local Plan in accordance with EC § 56205. The Governance Council designated the Val Verde Unified School District (VVUSD), effective July 1, 2006, to serve as the RLA/AU as provided for in EC § 56030. As such, the duties include, but are not limited to, receiving and distributing regionalized services funds in

accordance with the approved budget, providing administrative support, and coordinating the implementation of the Plan.

The Riverside County SELPA Funding Allocation Plan outlines how revenues will be allocated to member LEAs. The distribution and monitoring of funds as outlined in the Riverside County SELPA Funding Allocation Plan has been approved by the Governance Council. The Allocation Plan has been and will continue to be amended by Governance Council as needed with the input and recommendation of both Coordinating Council and Finance Committee. Governance Council will take action during regularly scheduled or special Governance Council meetings when amendments to the Allocation Plan are necessary. The most current copy of the Riverside County SELPA AB 602 Allocation Plan is available on the RC SELPA website (www.rcselpa.org).

Additional budgets and fiscal reports shall be prepared and submitted to the appropriate entities as required. Budgets/ reports shall be prepared and presented to the SELPA Finance Committee and Governance Council pursuant to federal, state, and RLA/AU timelines for action.

c. The operation of special education programs:

Each LEA with membership in the Riverside County SELPA is responsible to oversee the operation of those special education programs offered by that LEA and assures access

to special education and related services for all students with disabilities residing in the area, as stipulated in the policies and procedures of the SELPA and discussed previously in the RC SELPA Local Plan.

The Riverside County SELPA ensures that a continuum of special education and related services program options is available to meet the needs of students with disabilities. The IEP team's determination of appropriate program placement, related services needed, and curriculum options to be offered is based upon the unique needs of the student with the disability rather than the label describing the disabling condition or the availability of the program.

Within the Riverside County SELPA, each child with a disability shall have the right to an educational program designed to meet his/her individual needs. Service options offered by LEAs within the Riverside County SELPA include:

- Specialized Academic Instruction
- Intensive Individual Services
- Individual and Small Group Instruction (3-5 years only)

A student with an identified disability may be provided with Related Services (RS) while participating in the general education and/or special education environment. Related Services are defined as developmental, corrective and other services as may be required to assist an individual with exceptional needs to benefit from special education (EC

Section B: Governance and Administration

SELPA **Riverside County SELPA**

§56363(a)).

d. Monitoring the appropriate use of federal, state, and local funds allocated for special education programs:

An Annual Budget Plan is prepared and presented to the SELPA Finance Committee and Governance Council annually and is submitted to the California Department of Education following action taken by the Governance Council.

Pursuant to EC §56205(b), each local plan submitted to the superintendent under this part shall also contain all the following:

(1) An annual budget plan that shall be adopted at a public hearing held by the SELPA. Notice of this hearing shall be posted in each school in the local plan area at least 15 days prior to the hearing. The annual budget plan may be revised during any fiscal year according to the policymaking process established pursuant to subparagraph (D) and (E) of paragraph (12) of subdivision (a) and consistent with subdivision (f) of §56001 and §56195.9. The annual budget plan shall identify expected expenditures for all items required by this part which shall include, but not be limited to, the following:

The annual budget plan is utilized to outline the appropriate use and monitoring of funds apportioned to each member LEA for special education expenditures.

SELPA **Riverside County SELPA**

Fiscal Year **2021-22**

12. Describe how specialized equipment and services will be distributed within the SELPA in a manner that minimizes the necessity to serve students in isolated sites and maximizes the opportunities to serve students in the least restrictive environments:

The Riverside County SELPA endorses and promotes the California State Department of Education “Policy Statement of Least Restrictive Environment.” The state policy is based on the principle that students with disabilities should receive their education and specialized services/equipment in chronologically age appropriate environments with their peers without disabilities to the maximum extent possible. The principle maintains that both children identified with and without disabilities are most successfully educated in a shared environment where qualities of understanding, cooperation and mutual respect are nurtured. Children with disabilities are removed from the regular education environment only when the nature or severity of the disability is such that education in the regular education environment with supplementary aids, assistive technology, or services cannot be achieved satisfactorily.

The Riverside County SELPA provides a full range of program options designed to meet the educational service needs of students with disabilities in the least restrictive environment (LRE). The determination of LRE for students with disabilities is based on IEP team consideration of where the goals/objectives can be implemented most successfully. The SELPA LRE policy states that:

Special education programs and services under its

SELPA

Riverside County SELPA

Fiscal Year

2021-22

jurisdiction shall be provided in the LRE to students with disabilities. Special assistance shall be offered to these students in a setting which promotes maximum interaction with the general school population and which is appropriate to both. The goal shall be maintained to provide the maximum opportunity for interaction with peers without disabilities, regardless of educational setting.

The Riverside County SELPA has a strong commitment to creating inclusive service delivery models for all students. The SELPA acknowledges the need to expand multi-tiered intervention strategies to maintain students in general education. It also recognizes its obligation to provide supports to staff and students to promote services in the least restrictive environment. This requires the provision of professional development, parent training, supplementary aids and services, assistive technology, and/or special education services to support students with disabilities. To this end, the Riverside County SELPA supports LEAs in developing programs that offer flexible service delivery, thereby ensuring a full continuum of quality special education program options in various locations.

Policies, Procedures, and Programs

Pursuant to EC sections 56122 and 56205(a), the SELPA ensures conformity with Title 20 *United States Code (USC)* and in accordance with Title 34 *Code of Federal Regulations (CFR)* Section 300.201 and has in effect policies, procedures, and programs. For each of the following 23 areas, identify whether or not, each of the following provisions of law are adopted as stated. If the policy is not adopted as stated, briefly describe the SELPA's policy for the given area. Section B: Governance and Administration

SELPA **Riverside County SELPA**

Fiscal Year **2021-22**

Description:

SELPA incorporates the following requirements into ongoing oversight and monitoring: 1) conducting on-site (and virtual) visit to NPSs utilized by RC SELPA member LEAs for the purpose of ensuring compliance and reporting findings; 2) participating in on-site reviews conducted by the California Department of Education; and 3) providing professional learning and development to NPS personnel to assist the NPS in maintaining compliance and providing a FAPE to identified students.

6. A description of the process by which the SELPA will fulfill the obligations to provide free and appropriate public education (FAPE) to a student age 18 to 21 (or age 22 under the circumstances described in *EC 56026(c)(4)*) who has been incarcerated in a county jail and remains eligible for special education services:

The obligation to make FAPE available extends to those otherwise-eligible adults in county jail, age 18 to 21, who: (a) had been identified as a child with a disability and had received services in accordance with an IEP, but left school prior to their incarceration; or (b) did not have an IEP in their last educational setting, but had actually been identified as a child with a disability. (*EC Section 56040*)

It is the responsibility of the district of residence (DOR) to provide special education services and related services to an adult student in county jail who remains eligible for these services and wishes to receive them. The DOR is the district in which the student's parents resided when the student turned 18, unless and until the parents move to a new DOR. For conserved students, the DOR is based on the residence of the conservator. (*EC Section 56041*)

Description:

Adults who are aged 18 to 21 years, who have not graduated with a high school diploma, who at the time they turned 18 were identified as an individual with exceptional needs and had an individualized education program (IEP) under the IDEA, are also entitled to a FAPE as an eligible adult. This applies to adults incarcerated in California adult jails and prisons. However, an individual aged 18 through 21 years, who in the educational placement prior to his or her incarceration in an adult correctional facility was not identified as an individual with exceptional needs or did not have an IEP under the IDEA, is not entitled to FAPE (CEC § 56040(b)). Eligible adults will be served by RCOE for both child find and service provision purposes. RCOE will review

SELPA: Riverside County SELPA

Fiscal Year: 2023–24

Each SELPA must adhere to requirements for developing and reporting special education budget revenue and expenditures. The following excerpt is taken from California School Accounting Manual (CSAM): Procedure 755 Special Education on page 755-1 and included to assist the SELPA with completing Section D: Annual Budget Plan information for each LEA participating in the SELPA's Local Plan.

Special education budgets are complex and are of great interest to the public, both locally and statewide. EC Section 56205(b)(1) requires that a special education budget shall identify particular elements. Identification of the following elements is facilitated by the standardized account code structure (SACS):

1. Apportionment received by the LEA in accordance with the allocation plan adopted by the SELPA. (The apportionment is tracked in SACS in the resource field in combination with the revenue code in the object field.)
2. Administrative costs of the plan. (These costs are tracked in the function field.)
3. Costs of special education services to pupils with severe disabilities and low-incidence disabilities. (This population is identified by the goal field.)
4. Costs of special education services to pupils with nonsevere disabilities. (This population is identified by the goal field.)
5. Costs of supplemental aids and services provided to meet the individual needs of pupils placed in regular education classrooms and environments. (Costs of these aids and services are tracked in the function field.)
6. Costs of regionalized operations and services and direct instructional support by program specialists in accordance with Part 30, Chapter 7.2, Article 6, of the California EC, Program Specialists and Administration of Regionalized Operations and Services. (These costs are tracked in the goal field for regionalized operations and in the function field for instructional services.)
7. Use of property taxes allocated to the SELPA pursuant to EC Section 2572. (Property taxes allocated to the SELPA are tracked in the resource field and identified by a revenue code in the object field.)
