Discussion Items

5. Updates from Community Advisory Committee - Jennafer Griswold, CAC President

a. Membership Roster and Recruitment (Attachment 5a)

First meeting of CAC was excellent, praised technology available for away participants. At meeting share . passed around a handout. Two priorities- access to avenues of legislator. Our local representation. Second priority is communication. Getting the flyers out. Members have shared that they have issues not receiving flyers. Go the district and actually post the flyers on the board. Had people showing up that are advocates, help with transitions. Would like to directly access parent emails if that is an option. Handout was CAC Member report.

b. CAC Application for Membership (Attachment 5b)

We have new parent participation at our CAC meeting as well as our two new CAC members. One new member from Hemet, and one from Beaumont.

c. CAC Upcoming Events

Emergency preparedness-full day workshop. October 17, 2018, site TBD. 9 am-1 pm or 9 am-2 pm.

6. Nonpublic School Updates

Childhelp had CDE visit this week; follow up visit from last years unannounced visit. CDE is looking closely at Behavior Emergency Reports and Behavior Incident Reports. There has been a significant increase of Emergency reports that SELPA is receiving. SELPA has received a lot of recertification packets. NPS must complete the entire certification packet, and meet with Leah to review packet. Childhelp met with Leah to review packet. Ed code states that it is the responsibility of the LEA even if student is in NPS and they are not meeting the offer of FAPE.

7. Compliance Monitoring Activities - Leah Davis, Executive Director

Email Melody those the list of students that have exited and the reason why they exited. File reviews need to be received by Melody by September 19th. CDE is holding the secure portal for corrective actions.

8. Early Start Collaboration Meetings - Jeanne Bargman, Assistant Director (Attachment 8)

Reminder- Early Childhood Committee. Oct. 4 and nov. 1st and 3 different locations. Please see attachment 8 for dates and locations. All of your folks should have attended drdp training. September 6th training. Could also do the training online. Cde will have jeanne a copy of all who received a certificates. Make sure you are monitoring that they did receive.

9. CASEMIS and CALPADS Updates - Corey Stacy, IT Technician

Things havent changed in SEIS Yet, state forms have not been updated yet either. Corey has an idea on what the changes may be , but doesn't know what they may change to. We just have to wait for the state. DINC report.had a lot of dnq students. A lot of people forget athat those students also count. All districts should have received their discipline data from corey.
