7. Compliance Monitoring Activities - Leah Davis, Executive Director

a. Performance Indicator Review (PIR)

SELPAs Executive Director reached out to our FMTA consultant. FMTA has not yet reviewed RC SELPAs PIR plans, but will complete the reviews by September 23. Directors were advised to implement PIR plans.

There will be no changes to the PIR template for this school year.

b. Data Identified Non-Compliance (DINC)

CDE has removed DINC. CDE has embraced the fact that data will not be perfect with the CALPADS transition.

c. Disproportionality Self Study

Presentation to be held during SEA. Disproportionality Self Study is due October 30 to CDE.

d. Academic Indicators and District of Accountability

Corey shares highlights from CDE webinar that was held on August 23.

8. Tier 3 ERMHS Services - Funding Model

During last month's Coordinating Council there was conversation specifically around the requirement that we go back to our allocation plan regarding our federal dollars. Next year there will not be enough federal funds for WRAP and RTC placements. Over the past 7 years placement has increased. SELPAs Executive Director met with Governance Council around a continued commitment to have a shared risk. It is crucial that CBO's attend SELPAs Finance meeting.

9. Riverside County SELPA Local Plan Revision

Dates to meet for Local plan committee. Still do not have template. We will schedule those meetings soon.

10. CALPADS Updates - Corey Stacy, Data Specialist

a. Current Information from CDE

All documents shared with Directors in google team drive. Full CDE webinars are also attached. Highlights slideshow and reviews “Change in Procedures for IEP’s”

- b. Discipline Projections - What Did We Learn**
- c. Restraint & Seclusion Updates**
