**Note: Detailed information distributed approximately 1 month prior to event via e-mail**

**Goals of the CAC:** The broad goals of the CAC are to involve interested parents, students, teachers, and education specialists in advising the County and District Boards of Education and their administrative and professional staff of the unique requirements of students with disabilities, to assist the administration in furthering and improving the functioning of the Special Education Local Plan Area, and to ensure families have meaningful opportunities to participate in the education of their children.
